

Guidelines/Education for outings

Scheduling outings:

- Call or visit with Administrator or Director of Resident Services at least 48 hours prior to outing Monday through Thursdays 9:00am-4:00pm
 - Staff will ask information about outing. Information you will be asked includes;
 - ✚ Location & Date/time of event & return
 - ✚ Number of people planning to attend
 - ✚ Vaccination status of those in attendance
 - A risk assessment will be done and plan completed for return
 - Risk Assessment must be signed by resident or responsible party **prior** to leaving
-

Infection Control Guidelines for resident outings:

- Mask use always recommended when;
 - ✚ Unable to maintain social distancing of 6 ft with unvaccinated individuals
 - ✚ When uncertain of vaccination status (including children under the age of 12) of those individuals within 6 feet
 - ✚ When anyone in attendance is ill, regardless of vaccination status
 - Hand hygiene – hand sanitizer is best, use it when;
 - ✚ When you leave facility
 - ✚ After touching any common surfaces
 - ✚ Before returning to facility
 - Social distancing of at least 6 ft when;
 - ✚ you are with any unvaccinated individual(s)
 - ✚ you do not know the vaccination status of any individual(s)
 - ✚ If any individual present is ill
-

Upon return you **MUST**:

- Notify staff if there were any changes to the original plan for outing
- Notify staff if any other individual(s) attending outing were ill, coughing or had been tested for COVID-19
- Staff will complete assessment for COVID symptoms, including temperature to determine if additional precautions must be taken
